Welcome Back

Peabody School families and neighborhood residents,

Welcome to the Fitzgerald Community School Spring Session of programming. I hope you had a wonderful vacation and had some time to enjoy the holidays with family and friends. I would like to extend an extra warm greeting to our new families. The Fitzgerald Community School staff will be working very closely with school administration to provide your child with programming that will enhance your child's school day. Please stop by our office located on the first floor, next to the gym to say hello and see what our programs have to offer. We are very pleased to present a new selection of classes and events for the upcoming session. Our enrichment classes start on Monday, April 22, 2013 and will continue until Friday June 14, 2013. The community school office will be open for registration 2:30pm – 6:00pm beginning on Tuesday April 9, 2013 through Thursday, April 11, 2013.

It is a program requirement that registration forms, class fees and or a payment plan be received before a child begins the Spring Session. Please complete all registration forms so that there are no delays in services.

A limited number of partial financial scholarships are available for income-qualified families. Please request a financial scholarship application. Income documentation is required (W2 form/4 most recent paystubs). Request for financial assistance applications must be received no later than Thursday, April 11, 2013.

Our goal is to serve the Fitzgerald Community in the best manner possible. I welcome your ideas and suggestions and encourage residents and Peabody School parents to join our Neighborhood Community Council. Our next meeting is Wednesday, April 24, 2013 from 6:00 – 7:30pm in the community wing at the Peabody School.

If you would like to make a donation to the Fitzgerald Community School Scholarship fund please make checks payable to: Fitzgerald Community School. We appreciate your consideration and continued support. All donations go directly to a child in need of an afterschool program.

In closing, we are looking forward to all new and returning families participating in our program. If you have any questions or concerns, please contact me at (617) 349-6302 or e-mail at crodrigues@cambridgema.gov

Best regards,

Carolyn Rodrigues, Director
Fitzgerald Community School

**Fitzgerald Neighborhood Council
And Community Schools
70 Rindge Ave. Cambridge, MA 02140
Director: Carolyn Rodrigues (617) 349-6302**

The Fitzgerald Neighborhood Council has provided quality programs to residents for a range of ages from preschool to seniors, for the past 40 years. The council invites all neighborhood residents and Peabody parents to join. Your input on community issues, program planning and development and identification of neighborhood needs is welcomed.

The Spring Program will begin on Monday April 22, 2013. **Classes do not meet when school is not in session, but vacation activities are offered.** Payment must accompany all registration forms, no refunds are issued after first week of classes. Exceptions for medical issues, documentation required.

****Please be aware of the registration deadlines.**

***** Classroom teachers are not responsible for registering your child; however it is up to the parent to notify their child's teacher after registering for classes. Please call Carolyn @ (617) 349-6302 and leave a message or stop by the Community School Office when your child will be absent from afterschool.***

The Peabody School activities take precedence over the Community Schools programs. During the school's scheduled gym sports the Community Schools Program will not utilize the space. The children scheduled for a gym activity when the space is unavailable will be integrated into other program activities or will use outdoor space, weather permitting. Please keep this in mind when scheduling for gym activities. We apologize for any inconvenience that this may cause.

MONDAYS

Mad Science/GreaterBoston

Grades: 1 – 6

Time: 3:00 – 4:00

Fee: \$75/ 7 weeks

Instructors: MadScience *COURSE: Mad Science® of Greater Boston (II), "Mad Science® of Greater Boston (IV), "There's Science Everywhere!"* Join the Mad Science hands-on science fun. We're crazy about science...and hope you are too! In this program, we'll have a blast exploring science and how it affects the world around us. There will be exciting hands-on activities, spectacular demonstrations, inquiry-based discussions, and amazing projects to make and take home. We'll explore the world's most abundant animal-bugs; investigate the powerful processes that shape the Earth and form rocks, minerals and gems: try out different types of simple machines ... levers ...incline planes ... wheels ... and pulleys; and discover how hurricanes, tornadoes and thunderstorms develop and how powerful they can be! We'll also learn firsthand how advances in science and technology are behind our favorite movie special effects; explore the energy of motion and how energy can be conserved; get our left and right brains working together and discover the links between science and art; and examine and investigate what life is like under the sea.
